--------	--------------------------------	-----------	---------------------------------	----------------

Business Arising: -

* Rockhampton – AGM – Email received from Rockhampton Club stating the AGM is to be held 15.1.18.

* The technical /training day has been postponed – Doug Rigby needs to attend this event and a date is being looked at.

Treasurer’s Report – as tabled

General Business:

* General discussion regarding the Junior Speed week event.

-Overall a good concept with some minor adjustments to the points scores to be ironed out, with the points scoring listed prior to the event.

-Going forward the event should be heats and finals only – no dashes etc. and all tracks run the same format over the event.

- In Qld major events for SSA divisions to have an appointed SSQ person as a go-to contact present at events to support/assist our members when and where necessary.

* Media Crew to be added to the SSQ Title accommodation list.

* Safety of Officials on the track/infield. More discussions held on the processes needed to be in place to ensure tracks are upholding the Duty of Care to the safety of the infield workers and officials. If at a Queensland track and you see something that is unsafe – say something!

* Speedway Australia track inspections may go to being done whilst the track is operating at a race meeting so that the track can be viewed “working”.

* Availability of State Officials at Titles due to their own family competing, or them competing – need to advise Title Manager ASAP.

Meeting Closed: 8:55pm
