Sunshine Coast Club

*To SSQ,*

*The Sunshine Coast Speedway club recently held a club meeting that included a discussion about no medallions being presented at state titles.*

*Our club kindly asks for an explanation for this decision.*

*Yours,*

*Mark Littlehales, Secretary/treasurer - Sunshine Coast Speedway club Inc.*

Discussion held – response to be written covering the following points: -

- Title information documents have not listed medallions for the last year.
- Other items were introduced – i.e. drinks coolers and were well received. A different item for next season titles is being sourced.
- Suggestion to follow the SSA lead and get small (keyboard size) corflute signs for A Main qualifier (Read - A Main qualifier- no position so they are all the same and easier to distribute)
- Previously titles had time dedicated to introduce the competitors, present medallions, with crew to assist driver into car and belt up –the pit crew left the track and took the medallion back to the pits. Unfortunately, if there are time factors this is the first thing to get cut from the race program.
- Medallions then just get put into log book packets – numerous log books continue to be presented for the rest of the season with the title medallion still in the log book
- Some competitors take their medallion home and probably end up in a draw out of sight, give it to their kids/grandkids to play with. Speak to people about trophies and where do they end up? In boxes, in storage, given away etc.

\* Title race checks

– drivers wearing “normal” socks underneath their race socks. Rulebook has underwear as jocks, undies, Bra only – no socks.

- Noted that some drivers still don't wear underwear bottoms, (not easily seen)

- Noted that many also wear a “team shirt” underneath their gear.

- Gloves presented with a tag that said “boots” – withheld at title. Racewear company had correct tag and has a stock of tags that are placed on personalized and custom racewear they manufacture.

- Faded tags – re-visited discussion regarding the SFI tags fading – check with Chief Steward on the day.
